What is a Citizens' Academy?

The Citizens' Academy is for residents who are interested in learning more about how their police department operates and the policing challenges facing their town. The Citizens' Academy classes will be held at the police station.

Who instructs the Academy?

The instructors are West Newbury Police Officers, dispatchers, and officers from other agencies.

What subjects will be covered?

The classes will cover many aspects including patrol procedures, use of police K9, drug enforcement, motor vehicle laws, 9-1-1, communications, jail visits, and more.

What is the purpose of the Academy?

It is the department's goal to educate citizens about the operations of the West Newbury Police Department. This education will help to increase positive relations between the police and the community.

It is our wish to create a growing pool of responsible, well informed citizens who have the potential of influencing public opinion about police practices and services. Citizens will gain an understanding of the problems and challenges facing law enforcement and will have the opportunity to offer comments and ideas regarding solutions.
